## 26<sup>TH</sup> ANNUAL CONFERENCE

Eau Palm Beach Resort & Spa,  
Manalapan, Florida  
February 9-12, 2017

# 26th Annual Conference

## DEARLY BELOVED:

Welcome to the 26th Annual Conference. As the Leadership 100 membership grows beyond the historic record of 1,000 members reached in 2016, we rejoice at the exceptional men and women who are joining. Leadership 100 remains vital and vibrant into the 33rd year since its founding. The dedication of its membership and leadership of the Executive Committee, Board of Trustees, Officers, and Executive Director is unwavering, enabling continuing support through grants to the National Ministries of the Greek Orthodox Archdiocese.

The philanthropic spirit evident in your support of our Church and Community is not only a testimony to faithfulness but a lesson for all to follow as we face increasing challenges in our nation and in the world.

The Church, along with contemporary society faces social and economic crises along with persecution and violence in today's world. Unanticipated political change is taking place in many nations, requiring all the faithful and all citizens to be alert and mindful of new challenges, as well as new opportunities.

No one organization can, of course, adequately address such combination of challenge and suffering, but as Christians we must make every effort to find in our hearts the compassion for those who are affected and make every effort to find the resources to respond appropriately and effectively.

By the grace of God, Leadership 100 has always remained steady through trying times and learned to adjust its mission to fit the moment, whether it be a national or international crisis or a special issue such as support of the Holy and Great Council, the Saint Nicholas Greek Orthodox National Shrine or the rebuilding of the Ionian Village. At the same time, Leadership 100 has provided annual scholarship support of deserving seminarians at Hellenic College/Holy Cross School of Theology and of needy youth enabling them to attend our Church Summer Camps.

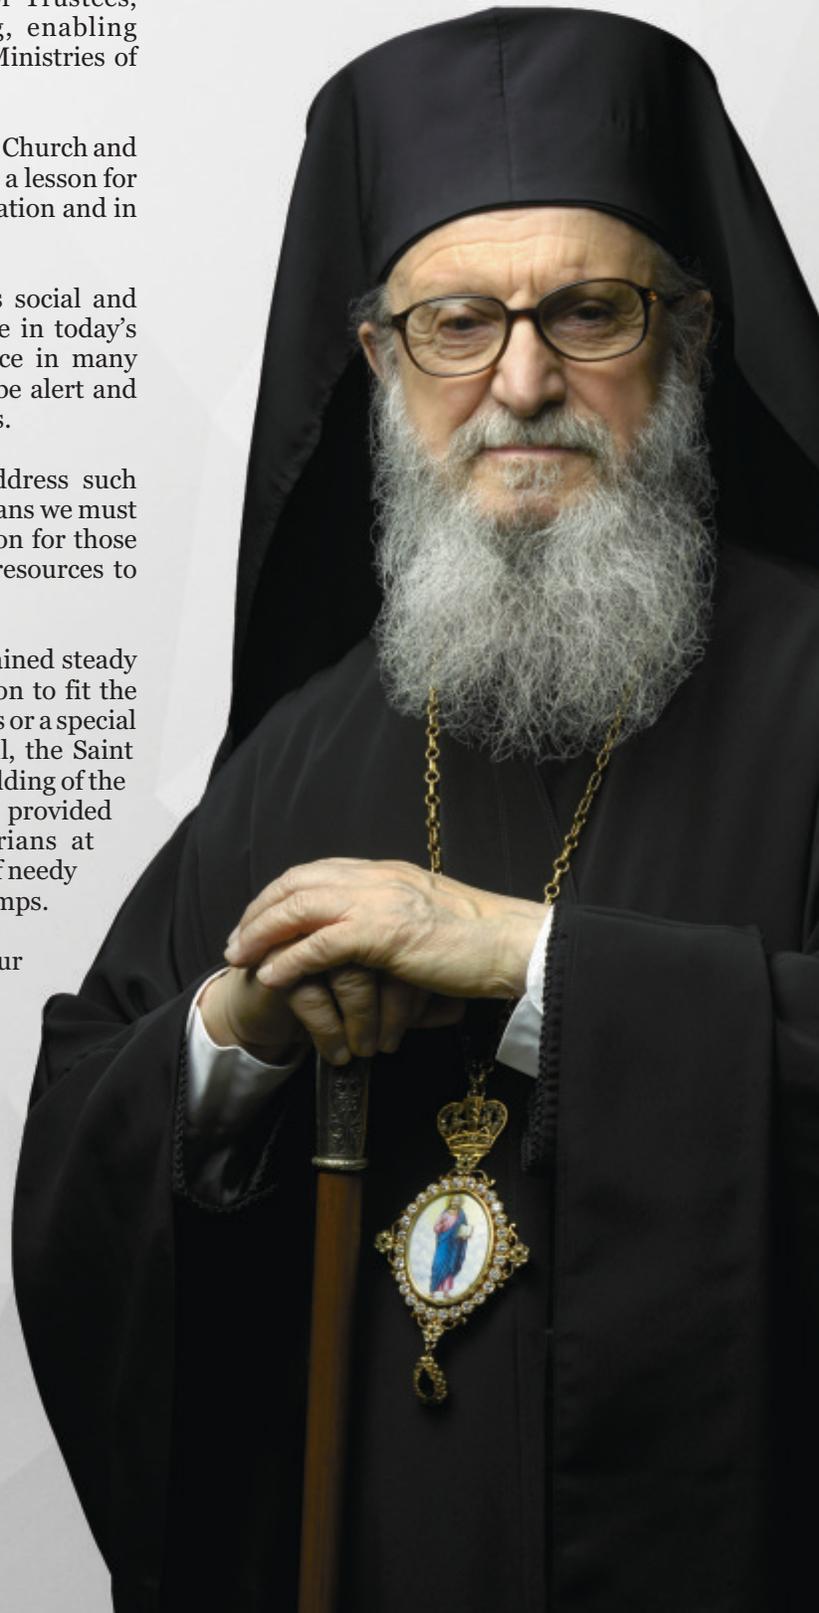

While we will continue to witness disruptions in our nation and in our world, we must remember that the Church has endured more than two thousand years of far greater opposition. In all things, Our Lord continues to transform our institutions, our lives and the lives of our families and friends.

May God continue to bless you abundantly in the New Year as you *grow in the grace and knowledge of our Lord and Savior Jesus Christ.* (2 Peter 3:18)

*With paternal love, blessings, and high esteem,*

## ONASSIS FOUNDATION PRESIDENT TO DELIVER KEYNOTE ADDRESS

Dr. Anthony S. Papadimitriou

Anthony S. Papadimitriou, President of Alexander S. Onassis Public Benefit Foundation, will deliver the keynote address at the Hellenism Forum on Thursday, February 9.

Papadimitriou, a prominent attorney and economist who was born in Alexandria, Egypt in 1955, was unanimously elected President and Treasurer of the Board of Directors of the Foundation in 2005.

Under his Presidency, in 2009, the Foundation joined Leadership 100. In an interview at that time, he said:

Our mission is to promote through our programmes Hellenic culture in Greece and abroad. Greece was always at the centre of Aristotle Onassis's vision. His vision is also the vision of all the Hellenes and in particular of the Hellenes of the Diaspora. The Foundation honours

Leadership 100 bearing in mind the very important role of this organisation in promoting Hellenism and the Greek Orthodox faith in America. We consider it our duty and an honour to participate in this organisation. Based on the up to date achievements of Leadership 100, I express my optimism for the future of the organisation and of Hellenism in general in the USA.

A graduate of the Athens University Law School in 1977, Papadimitriou holds a postgraduate degree in law (DESS) from the University Aix-en-Provence, France. He obtained a PhD in Political Science at the National and Kapodistrian University of Athens. He also holds a B.Sc in Economics from the London School of Economics.

A practicing attorney, he was appointed a lawyer to the Supreme

Court of Athens in 1989. Since 1992 he has been the managing partner of A.S. Papadimitriou and Partners law firm.

Prior to becoming President, Papadimitriou had served in 1986 as legal advisor to the Onassis Group ship management company, Olympic Shipping and Management S.A. He was elected member of the Board of Directors of the Foundation in 1988 on the recommendation of then President Christina Onassis. Since 1995 he has been the co-ordinator of the Executive Committee of the Onassis Group commercial activities.

Among his many honors, Papadimitriou was awarded the St. Mark's Cross by the Patriarchate of Alexandria in 2006, was accepted as Honorary Master of the Bench of the Middle Temple in 2008, was decorated with the insignia of the Knight of the Legion of Honor (Chevalier de la Légion d'Honneur) by the Government of France in 2010, and was awarded the degree of Doctor of Philosophy, Honoris Causa, by the University of Haifa in 2012.

In 2014, Papadimitriou was awarded the Grand Commander of the Order of the Phoenix by the President of the Hellenic Republic. In 2015 he was named a Doctor of Science of City University London.

## PIONEERING INVESTMENT MANAGER TO ADDRESS BUSINESS FORUM

James S. Chanos

James S Chanos, a member of Leadership 100 and the founder and Managing Partner of Kynikos Associates LP, the world's largest exclusive short selling investment firm, will address the Business Forum on Friday, February 10.

Kynikos Associates LP provides investment management services for domestic and offshore clients. Through investment funds, partnerships, corporations, and managed accounts - domestic and offshore - it maintains private portfolios of securities for clients.

Chanos opened Kynikos Associates LP in 1985 to implement investment strategies he had uncovered while beginning his Wall Street career as a financial analyst with Paine Webber, Gilford Securities, and Deutsche Bank. Throughout his investment

career, he has identified and sold short the shares of numerous well-known corporate financial disasters, among them, Baldwin-United, Commodore International, Coleco, Integrated Resources, Boston Chicken, Sunbeam, Consec, and Tyco International. His celebrated short-sale of Enron shares was dubbed by *Barron's* as "the market call of the decade, if not the past fifty years."

The media has noted Chanos' prescience in alerting finance ministers and others about the global financial crisis well before it occurred. His views on financial market fraud, capital markets regulation and the Chinese financial system, among other topics, are regularly covered by news organizations worldwide.

Chanos has testified before Congress and provided comments to regulations proposed by the U.S. Securities and Exchange Commission and the Financial Services Authority in the United Kingdom.

Born and raised in Milwaukee, Wisconsin, Chanos lives in New York City, and has four children. He is currently a Lecturer in Finance at the Yale School of Management and the University of Wisconsin Business School, teaching classes on the history of financial fraud. He currently serves as a Trustee at The New York Historical Society and The National WWII Museum. Chanos received his BA in economics and political science in 1980 from Yale University.

## EMMY AWARD WINNING ACTOR AND MUSICIAN TO SPEAK AND PERFORM AT SPECIAL FORUM

Photo by Greg Gorman.

Jonathan Jackson

Jonathan Jackson, a five time Emmy Award winning actor and a recent Critics' Choice Award nominee, who has starred in numerous TV shows and films and is the frontman for the rock band Enation, who Billboard calls a "rock band on the rise", will address a Special Forum on Saturday, February 11. He will also perform with his brother, the actor and musician Richard Lee Jackson.

Jackson's TV and film performances have included "Tuck Everlasting", "General Hospital", and as 'Avery', an up and coming musician trying to make it in Music City on the critically acclaimed drama "Nashville".

He began his acting career as 'Lucky Spencer' on the hit soap opera "General Hospital" – winning a total of five daytime Emmy Awards for his role. He also has substantial feature

film work, most notably on Columbia's "Deep End of the Ocean" (with Michelle Pfeiffer), Disney's "Tuck Everlasting" (with Sir Ben Kingsley) and Warner Bros. "Insomnia" (with Al Pacino, directed by Christopher Nolan). He has been privileged to work with many Academy Award winning/nominated actors in his career.

With five studio albums released, numerous radio and TV appearances, and a recent US Summer Tour playing to sold out audiences, his rock band, Enation, has developed a reputation as one of the premier indie rock bands in America.

Jackson, along with Enation, partners with such organizations as International Orthodox Christian Charities (IOCC) in providing international humanitarian aid, and

the anti-human trafficking organization NOT FOR SALE, which helps bring awareness to combat the growing global atrocity of modern-day slavery.

Jonathan is also a published author. His current books include a work of Mystical Poetry titled, "Book of Solace and Madness" and the non-fiction prose "The Mystery of Art: Becoming an Artist in the Image of God."

"If you look around at the world, the hardest thing to do is to overcome the darkness that is around us, to break through that weight," Jonathan says. "It's the role of the artist to push back against that," he says.

Jonathan resides in Nashville, TN with his wife, Elisa, and their three children.
